

4 untriaged items — capture now, decide later

Call the dentist to reschedule Thursday's cleaning	Triage	...
Grab milk, eggs and bread before the weekend	Triage	...
Idea: a slower morning routine — read for 15 min before the phone	Triage	...
Ask Mom about the recipe for the trip next month	Triage	...

Triage turns a capture into a real task — as Fixed, Floating, or a Quota goal. The sidebar, header, search and Quick Capture shown here carry over to every workspace — Today, Plan, Tasks, Reflect and Review each keep this same shell and simply change what fills the content area below the header.

Pull last quarter's numbers

Sketch the section headings

Note open questions for the team

+2 more

NOTES

Keep it high-level this round — leadership wants themes, not a line-by-line breakdown. Reuse last quarter's structure where it still fits...

Inbox

4 untriated items — capture now, decide later

- Call the dentist to reschedule Thursday's cleaning

Triaging
- Grab milk, eggs and bread before the weekend

Triage
- Idea: a slower morning routine — read for 15 min before the phone

Triage
- Ask Mom about the recipe for the trip next month

Triage

A capture stays a plain item — never a partial task — until it's triaged.

What gave you energy today?  Shuffle prompt

Calm today. The dentist call is off my mind now that it's rescheduled, and the walk after dinner helped settle things. Mostly just grateful for a slower evening — start typing...

SUMMARY

You recorded 24 completed check-ins during this period. The no-late-night-snacking habit was kept safe on 24 of 30 days. Exercise reached its weekly quota in 3 of 4 completed weeks. You wrote reflections on 18 of 22 days.
